About the Webinar

Sri Aurobindo, (1872-1950) was one of the greatest spiritual seekers of India, a Mahayogi, who tried to show a spiritual way to the entire humanity towards the realization of a peaceful harmonious life on earth. Krishnachandra Bhattacharya (1875-1949) was one of the greatest speculative and analytical thinkers and philosophers of India. His philosophy is described as Transcendental Idealism. The webinar, commemorating World Philosophy Day, would focus upon some essential aspects of the thoughts of these two great contemporary Indian thinkers of the 19th India with the objective-to find their relevance in the present era
